

WebView Application

Silver Health CARE is pleased to provide a secure online view of your medical record. Please keep your username and password in a safe place and never share it with another person. We have implemented stringent security for the safety of your information. If you lose your password or if you think someone, who should not, has access to your information – please NOTIFY US IMMEDIATELY at (575) 538-2981 (ask for Medical Records). We can reset your password or disable online access to your medical information. You will need your secret WebView word to do this.

Your full name (please print): _____

Your date of birth: _____

Your secret WebView word: _____

To access your medical information:

1. Go to <http://www.silverhealthcare.org/>
2. Click on the WebView icon on the right side of the screen.
3. Log in with the username and password below.
4. USERNAME (all lowercase; no spaces): _____
5. PASSWORD (all CAPS; no spaces): _____
6. May we have your email address? _____
7. Do we have your permission to email you general health care information?

YES NO

To view your chart information once you log in:

1. On the left sidebar menu, click the item you want to view. The information appears in the center of the page.
2. You can only view information (you cannot make changes).

Logging out and exiting:

You should always log out of your online chart when exiting, especially if you are accessing the product from a shared or public computer.

To log out:

Click the Logout link that appears at the top left side of the page. A blank page with a login link appears, verifying that you logged out successfully.

WebView Release:

I have read the above instructions and information. I want access to my Medical Record through Silver Health CARE's WebView application:

Signed: _____ Date: _____
